Subject: Application A1042 - Food derived from herbicide-tolerant corn line DAS-40278-9 - Food Standards Aust

Categories: Green Category

To whom it may concern,

I wish to have noted, my opposition to the following application:

[Application A1042 - Food derived from herbicide-tolerant corn line DAS-40278-9 - Food Standards Aust](#)

on the grounds of health-related concerns with regard to the growing and consumption of such products as well as the contamination risk such products pose to other plants grown as food.

Yours sincerely,

Edith Stockdale
