Dear Sir/Madam

**Application A1094 – Food derived from Herbicide-tolerant Cotton Line DAS-81910. Call for Submissions**

Thank you for the opportunity to comment on this application. The Ministry for Primary Industries (MPI) agrees with the FSANZ conclusion that no potential public health and safety concerns have been identified. MPI therefore supports option 1, which is to develop a variation to standard 1.5.2, to include food derived from herbicide-tolerant cotton line DAS-81910-7.

Yours sincerely

Signed
