Dear Sir/Madam

**Proposal P1014 – Primary Production and Processing Standard for Minor Meat Species and Wild Game – Call for Submissions**

Thank you for the opportunity to comment on this proposal. The Ministry for Primary Industries (MPI) has the following comments to make.

MPI supports option 1, a draft national standard containing:

- Minimal primary production requirements (primary production of minor species, harvesting of wild game); and
- Incorporating processing controls.

Yours sincerely
