3. **Organisation Name:** CJ Cheiljedang
4. **Organisation Type:** Food Manufacturer
5. **Representing:** Individual
6. **Street Address:** [REDACTED]
7. **Postal Address:** [REDACTED]
8. **Contact Person:** [REDACTED]

11. **Email Address:** [REDACTED]

12. **Submission Text:** Hi, colour logo and bar chart could means intense material tracking management from food manufacturer's point of view. In Korea, we only point the origin of material next to its name on ingredient list. Please consider that as well, because even we do not manufacture product in Australia and only export it, local manufacturer will have a hard time when they change some of ingredients due to cost, natural disaster or FTA. Thank you very much.
