Subject: Proposal P1007: Primary Production & Processing Requirements for Raw Milk Products.

To whom it may concern:

I am a great supporter of the raw Milk campaign and would like to voice my opinion in support of changing the legislation in favour of selling raw milk (unpasteurized & unhomogenized).

Please change the law so that we, the consumers, can make our own informed choices regarding what we put into our bodies.

Thank you,

Nichole Macdonald
