Submission re Primary production and processing requirements for Raw milk products

Proposal P1007 Discussion Paper

My name is Emma Hamilton

My address is 22-36 Haslam's Track, Warrandyte South, Victoria 3134

I enthusiastically support the campaign to have certified raw milk ( and other raw dairy products) available at retail outlets in Australia.

I believe raw milk is more nourishing than processed milk and people who want it should be able to buy it.

I wonder why Coca Cola and cigarettes and lollies are able to be sold legally when everyone knows they are bad for us, but Raw milk, which is actually good for us, is banned. The logic just isn't there.

I represent a family of 9 people.

Signed.
