**Subject:** Proposal P1007: Primary Production & Processing Requirements for Raw Milk Products

To Whom It May Concern

I am wholeheartedly in support of safely produced fresh raw milk. In fact, I think it's ludicrous it was ever prohibited and subsequently it's been years since i've drank milk. I'm excited that we will have the opportunity again to have the ability to get raw milk. My mouth is already watering.

Sincerely

Ms Kim Gibson
