To whom it may concerne,
As a raw milk consumer I desire:

- * Easy access to clean, unprocessed milk from local dairies with healthy cattle that are grass fed only
- * FSANZ to reassess outdated science and non-science which condemns raw milk as a carrier of pathogens and consider science based recommendations for consumption of raw milk.
- * Certification of raw milk which ensures its cleanliness and its healthful properties remain intact
- * Regulations which require raw milk and raw cheeses to be traded ONLY via localised, cottage industry

Yours sincerely
Wendy Johnson
