Proposal P1007: Primary Production & Processing Requirements for Raw Milk Products.

I am in definitely in favour of safely produced, natural raw milk!

My name is Natasha Woods from 50 Wichmann Road ATTADALE 0402 933161 my email is life@iinet.net.au

I have long known the wonderful effects of drinking raw cows milk by growing up on our farm with a family cow. When our family left the farm and drank conventional milk we got sick with allergies and digestion problems and stopped drinking milk and dairy because of it.

I cannot wait to see the day when we can buy safely produced, fresh natural raw cows milk!

Kind regards

Natasha Woods
