Hi s 22

Thank you very much for getting back to me with that information.

I will use the new image (as provided by s 22) to update the FSANZ webpage, including the recall notice. I will send you through a copy of the revised recall notice once this has been completed.

Regards

s 22

Hi s 22

Sorry, we have had a busy morning dealing with media enquiries and s 22 is with s 22 working through the investigation.

Re product image, sorry (again), that was our original label artwork (before it became a co-brand on pack). So, yes, can you please update the product image on the FSANZ website to make sure it is accurate vs recalled batch?

When it comes to the company name, please leave it listed as Inside Out.

Thanks

s 22

Hi s 22

Just following up on s 22 email. Could you please confirm whether we should use the new product image provided by s 22 today for the food recall notice and on the FSANZ website.

Also, could you please confirm whether the company name should be listed as "Inside Out" or "JS Health x Inside Out" on the food recall notice and FSANZ website.

Could you please get back to us about this matter by **3pm today**.

Thank you

Kind regards
