Hello s 22

Thank you so much for patiently communicating with us regarding the post recall.

Due to the recall, we've identified our existing labelling station as a CCP.

Please find attached documents related to this:

- OP - Bottle sleeving and label check
- OP - GMP Refresher
- Scanned toolbox talk which includes the discussion of the new CCP
- Scanned training record of CCP4 (OP - Bottle sleeving and label check) for staff who handles bottle sleeving
- Fulcrum labelling records (just to give you an idea how we check the labels at the station)

For your information and guidance. Please let me know if you need anything else.

Kindest regards,

s 22
