Dear Sir/Madam

**Application A1071 – Food derived from Herbicide-tolerant Canola Line MON88302 – Call for Submissions**

Thank you for the opportunity to comment on this application. The Ministry for Primary Industries (MPI) has the following comment to make.

MPI supports option 1, that is to prepare a draft variation to standard 1.5.2. MPI agrees that based on the information provided, food derived from canola line MON88302 is considered to be as safe for human consumption as food derived from conventional canola cultivars.

Yours sincerely

Manager Food Science and Risk Assessment
