Subject: Submission A1138 Golden Rice

Follow Up Flag: sent contact details form
Flag Status: Flagged

Dear Sir/Madam

With the deepest respect, we don't want "Golden Rice".

We don't want GM technology interference anywhere in the food chain, in animals. Anywhere.

We want GM TOTALLY BANNED AND MADE ILLEGAL.

People do not want this rubbish. So stop it please once and for all.

Yours faithfully

Tania Kanavas
