**Re: Irradiation as a phytosanitary measure for all fresh fruit and vegetables**

Dear Sir/Madam,

Thank you for the opportunity to make a submission regarding the Queensland Government's 'irradiation as a phytosanitary measure for all fresh fruit and vegetables' application.

The Tasmanian Farmers and Graziers Association (TFGA) is the leading representative body for Tasmanian primary producers. TFGA members are responsible for generating approximately 80% of the value created by the Tasmanian agricultural sector.

The TFGA would like to support the submission provided by the Department of Primary Industries, Parks Water and Environment (DPIPWE) and signed by the Chief Plant Health Manager Andrew Bishop.

If you have any queries regarding the supporting submission, please feel free to contact [REDACTED] (TFGA Policy & Projects Manager) at [REDACTED] or [REDACTED]

Regards,
