Subject: Proposal P1018

Ref: Proposal P1018: Companion Dogs in outdoor dining areas of food premises.

[REDACTED]

I am very much in favour of allowing pet dogs in outdoor dining areas of food premises. I think it should be up to the owners/managers of the food premises to determine whether dogs are allowed. It encourages people with dogs to stop and have a meal, coffee and light refreshments. Recently on a holiday to Auckland I was very impressed with the number of restaurants, bars and cafes that allowed dogs (in fact on one occasion three separate tables in close proximity had dogs) and not on once occasion was a dog badly behaved. The Sunshine Coast would benefit from this proposal as it is a popular holiday destination for dog owners.

Yours sincerely,
