Dear Sir / Madam

Submission – P1033 – Code Revision XII

Thank you for the opportunity to provide a submission on the call for submissions regarding P1033 – Code Revision XII.

This submission provides technical advice and comments related to this issue. The submission does not represent a Queensland Government position, which will be a matter for the Queensland Government when notification is made by the FSANZ Board to the Legislative and Governance Forum on Food Regulation.

The following mistakes were identified in the draft variations detailed in Attachment A of the Call for Submissions report:

- Variation [9.6] – 14.1.13 should be 14.1.3
- Variation [16] – Subclause 2(4) of Standard 2.5.3 will need to be deleted from the Food Standards Code because it is now replaced by subclause 2(3) of Standard 2.5.3.

Should you require further information in relation to this matter, please contact Food Safety Standards and Regulation, Department of Health on (07) 3328 9310 or at foodsafety@health.qld.gov.au
