29 November 2001

ACKNOWLEDGED

Australia New Zealand Food Authority,  
PO Box 7186,  
Canberra, ACT 2610.

Dear Sirs/Mesdames,

The Consumers' Association of South Australia writes to support the following submissions made by Ms. Elaine Attwood, National Council of Women:

- Foods for Special Medical Purposes – Proposal P242 – Initial Assessment Report.
- Draft Assessment – Tall Oil, non-esterified phytosterols derived from Tall oils – Application A417.
- Lipase from Genetically modified aspergillus oryzae – draft assessment report – application A435.
- Maximum residue limites – antibiotics – draft assessment report – application A422.
- Food derived from insect protected glufosinate-ammonium tolerant corn (amize) line 1507 – initial assessment report – application A446.

Yours faithfully,

A solid black rectangular box used to redact the signature of Jill Bailey.
